	HQ. Military Railway Service Allied Force	0253445	Major JESSE MIMS McLELLAN (Home - MONTGOMERY, ALABAMA, USA.) US. Transportation Corps. 7-12-44	Major McLellan, in his capacity of Superintendent of Car Service M.R.S., has been the officer who has dealt directly with Mov AAI regarding the details of all British requirements for personnel, freight and AFV movement from Nov 1943 to Sept 1944. He has, throughout this period, made every possible effort to meet all requirements. He employed his excellent technical knowledge to advise how it was possible, by making minor changes, to make fuller use of the available rail capacity, thereby enabling the heavy and complicated movement, entailed by the regrouping of the Armies for the 1944 offensive, to be carried out in the minimum time and with the least effect on freight traffic. He cheerfully worked very long hours during the frequent periods of pressure, and readily complied with the many last minute changes resulting from alterations to operational plans, in spite of the heavy extra labour entailed.	<i>Two Fellows Brig DQMg(m) AAI 1/10/44 1/10/44 CNO act</i>	MBE	<i>MS 27.12.44</i>
